RE: 2011 Paws for Parkinson's-Carefree
Benefiting the Arizona Chapter of the
American Parkinson Disease Association

Dear Business Owner,

The **2011 Paws for Parkinson's-Carefree** benefitting the Arizona Chapter of the American Parkinson Disease Association will be taking place on October 29th, at Sundial Park in Carefree, AZ.

This is the inaugural year of this event, but it is being held in conjunction with our *Parktoberfest* beer and wine tasting fundraiser. Funds raised will go to support the APDA programs which directly assist people with Parkinson's disease in the State of Arizona. Programs include the Caregiver's Holiday respite program, ResponseLink emergency call button, and Exercise Program financial aid.

Our goal in 2011 is to have more than 100 Paws walkers and raise \$10,000 to support local programs for our friends and family members with Parkinson's disease. If you can donate an item from your inventory for our silent auction or make a financial contribution and become a sponsor of the event, it would be most appreciated. You will receive a letter for tax purposes; and also recognition for the contribution at the event.

People and organizations like you are what make Carefree, Scottsdale and Phoenix such a great place to live. Thank you for considering this appeal. For more information please call Tom Viviano at 602-839-3542 or email: Thomas.viviano@bannerhealth.com.

Sincerely,

Tom Viviano
