

RE: **5th Annual Parktoberfest for Parkinson's Disease
Benefiting the Arizona Chapter of the
American Parkinson Disease Association**

Dear Community Business Managers,

The "5th Annual Parktoberfest" Benefiting the Arizona Chapter of the American Parkinson Disease Association will once again be hosted by the **Carefree Station Grill & Bar** at the Spanish Village in Carefree. The event will take place on Saturday, October 17th from 2-5 pm.

Since 2005, the event *has* raised over \$25,000 for the AZ-APDA. These funds went to support the APDA programs which directly assist people with Parkinson's disease in the state of Arizona. Programs include the Caregiver's Holiday respite program, Response Link emergency call button, and Exercise Program financial aid.

Planning for the *2009 Parktoberfest* is now underway. Our goal in 2009 is to raise \$15,000 to support local programs for our friends and family members with Parkinson's disease. Your sponsorship, or the donation of a Silent Auction item, will help us to reach that goal.

We are asking you to consider becoming a community sponsor for this event by donating a Raffle and/or Silent Auction item, or by becoming a Platinum, Gold, or Silver Sponsor. The single Presenting Sponsor opportunity is also currently open. Your business name and logo will be prominently featured in these efforts if you choose to become a part of this community effort.

People and organizations like you are what make Carefree, Scottsdale, and the Northeast Valley such a great place to live. Thank you for considering this appeal. For more information or if you wish to sponsor "Parktoberfest", please call Tom Viviano at 602-239-3542 or email Thomas.viviano@bannerhealth.com.

Sincerely,

Tom Viviano
